

5120:1-14-10 **Specific operating standards for community-based correctional facilities.**

- (A) Community-based correctional facilities receiving funding by the department of rehabilitation and correction will meet the following specific standards of operation:
- (1) The governing board of the facility shall hold meetings at least semi-annually with the facility director or contracting agency.
 - (2) The facility shall submit an annual program analysis no later than sixty days after the end of the fiscal year. The program analysis shall at a minimum include:
 - (a) Education level of offenders at program entry and exit in reading, math, language and average education level, if applicable;
 - (b) Number of GED tests taken by offenders; and
 - (c) Number of GED tests passed by offenders.
 - (3) The facility shall be clean and in good repair with housekeeping and maintenance plans in effect.
 - (4) There shall be a minimum of two photographs taken of each offender and placed as follows:
 - (a) Main control post or designated area; and
 - (b) Offender file
 - (5) The facility shall implement a policy and procedure that documents the increased surveillance of offenders at intervals of no more than twenty minutes if an offender currently presents the following: suicidal, assaultive, or escape risks.
 - (6) A written policy and procedure shall be implemented for offenders placed into disciplinary isolation. The policy, at a minimum, shall include a documented physical observation of offenders at least every thirty minutes during isolation.
